Honorable Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This document is a Supplemental Information Disclosure Statement to the above-cited patent application.

Attached is at least one form PTO/SB/08A/B listing documents believed relevant to the subject application. The submission of the following information is not intended, nor should it be construed, to constitute an admission that any patent, article, or other information referred to herein is "prior art" unless specifically designated as such. In accordance with 37 C.F.R. § 1.97(b), the filing of this information shall not be

construed to mean that a search has been made or that no other material information may exist. Neither should its submission be construed to indicate that a thorough search should not be conducted by the Examiner.

It is believed that this disclosure complies with the requirements of 37 C.F.R. § 1.96, § 1.97, and § 1.98 and the Manual of Patent Examining Procedures § 707.05(b). If for some reason the Examiner considers otherwise, it is respectfully requested that the undersigned be telephoned at (858) 200-0586 so that any deficiencies can be remedied.

The references recited in this Supplemental Information Disclosure Statement were cited by the Examiner in a corresponding U.S. application in an Office Action dated March 14, 2007. Therefore, each item of information contained in this Supplemental Information Disclosure Statement was first cited in any communication not more than three months prior to the filing of this Supplemental Information Disclosure Statement, pursuant to 37 C.F.R. § 1.98(e)(1), and, pursuant to 37 C.F.R. § 1.97(c)(1), no fee is due even though an Office Action on the merits may have been mailed.

A copy of each document is enclosed. Some of the documents may have markings thereon. No significance is to be attached to the markings. These documents are not necessarily analogous art. Additionally, the order of the following documents is to be accorded no particular import, as the order thereof is completely fortuitous.

It is respectfully requested that these documents be:
(1) fully considered by the Patent and Trademark Office
during the prosecution of this application; and (2)
represented on any patent which may issue on the
application. Applicant respectfully requests that copies
of the forms PTO/SB/08A/B, as considered and initialed by
the Examiner, be returned with the next communication.

Respectfully submitted,

May 21, 2007
